

THE PRESIDENT
OF THE HELLENIC REPUBLIC

Athens, 9 April 2020

Dear Mr. Larigakis,

I would like to warmly thank you for your very kind letter of congratulations on my election as President of the Hellenic Republic and on the 199th anniversary of the Greek Revolution, as well as for your warm wishes.

Since 1974, the American Hellenic Institute has been an important rule of law advocate in Washington and has been actively working in order to promote bilateral relations between Greece and the United States.

The two countries share common values and interests and I believe that, during my term, bilateral cooperation between Greece and the United States, which is already closer than ever, will be further strengthened.

Civil society, and especially the American Hellenic Institute, has a major role to play in this regard and I am looking forward to working with you for the promotion of Greece-US partnership.

Please pass to the AHI Board of Directors, as well as to all AHI members my heartfelt wishes for every success in your work, as well as for good health in these difficult times for all of us.

Sincerely,

Katerina Sakellariopoulou

Mr Nick Larigakis
President of the American Hellenic Institute
